

## Business Finland Tempo Funding For Beyond Borders Accelerator Program (BBA)

We Are Proud To Be Part Of [Business Finland Accelerator Programs](#)

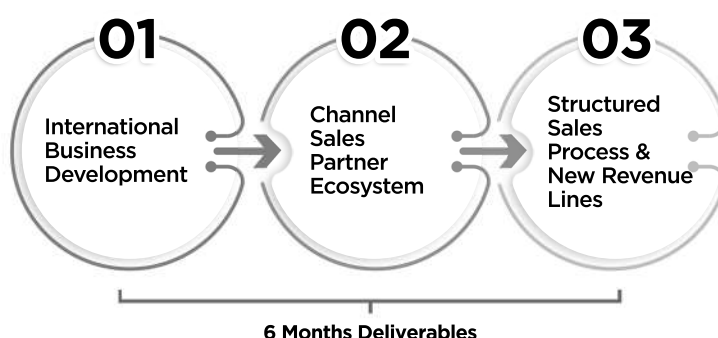

### Business Finland Tempo Funding

Business Finland's Tempo Funding supports the BBA Program. The Tempo funding is intended for startups, SMEs and mid-cap companies aiming for international growth. The funding enables your company to improve its capabilities for international growth, test the functioning of the business concept, obtain feedback from potential customers, and identify demand in new international markets.

### We Are Here to Assist

We are happy to assist our clients with the Tempo Funding application for the BBA Program. Upon request, the BBA research team will provide product / service-specific data-driven documentation for the defined target markets in the Middle East, Africa, and South Asia. We can assist with,

- ✓ Your company's business ideas or activities are innovative internationally considering existing products or services.
- ✓ You know what customer needs your product or service idea meets.
- ✓ Your company is aiming at significant international growth.
- ✓ Your company has a realistic view of your competitive advantage in the markets and the competence needs related to it.
- ✓ You have identified the potential clientele and earnings model.
- ✓ You have estimated the size and business potential of the targeted markets.
